## SKINNOVATION

is the first startup event on skis.

During 2.5 days 350 startups, investors and innovative corporates meetup to ski together and attend speeches and workshops in the ski huts.

Pitching takes place in the ski lift and the after party in a giant igloo at the top of the mountain.

### PITCHING

Startups present their ideas to investors in the ski lift.

### TALKS

Inspirational speakers and exciting workshops in the ski huts.

### SKIING

No dusty conference rooms, but skiing all day and startup vibe in the heart of the Alps.

### NETWORKING

Meet like-minded people and connect with them.
